Fellowship:	Case Western Reserve University, Cleveland The Mt. Sinai Medical Center, Cleveland, OH	1980 – 1982 Reproductive Endocrinology and Infertility

TEACHING APPOINTMENTS

1971	Exchange Registrar to St. Thomas Hospital, London, working with Professor Phillip Rhodes
1972	Appointed as Consultant Gynaecologist and Lecturer at Groote Schuur Hospital and the University of Cape Town
1973-1976	Senior Consultant and Senior Lecturer, Groote Schuur Hospital and the University of Cape Town
1977-1980	Associate Professor and Head, Section of Reproductive Surgery, Division of Reproductive Endocrinology, Department of Obstetrics and Gynecology, The University of Tennessee Center for the Health Sciences. Lecturer in program for students, interns and residents, and Director of Residency Program within the Division
1980-1983	Head, Section of Reproductive Surgery, Department of Obstetrics and Gynecology, The Mt. Sinai Medical Center, Cleveland, Ohio
1983-1993	Head Reproductive Surgery - Presbyterian Medical Center, Dallas, Texas
1983-Present	Clinical professor, Reproductive Surgery Section, Division of Reproductive Endocrinology, University of Texas Health Science Center at Dallas

CONSULTING POSITIONS

1972-1973	Director of Diabetic Obstetric Clinic at Groote Schuur Hospital
1973-1976	Director of the Family and Fertility Counseling Clinic (Infertility Clinic) Hospital. Groote Schuur Consultant tubal surgeon to the clinic panel
1975-1976	Consultant in charge of the Semenology Laboratory, University of Cape Town and Groote Schuur Hospital
1981-1990	Ethicon OB/GYN Advisory Panel
1982-1985	Davis and Geck OB/GYN Advisory Panel
2003-2005	Medical Consultant Medevco, Dallas, TX

SCIENTIFIC ACTIVITIES

1973-1975	Fallopian Tube Transplantation Program, University of Cape Town, Awarded by Medical Research Council of South Africa. Grant No. MCR-41-189
1972-1976	Director of Gynaecological Section of the Animal Research Laboratory. Personally responsible for the initiation and commencement of the Fallopian Tube Transplant Program

PRESENTATIONS

- 1965 Delivered a paper, "Placental Studies" at Medical Student Congress, University of Cape Town
- 1969 Delivered a lecture on "The Relationship Between the Fetal Condition and Biochemical Analysis of the Amniotic Fluid at Induction of Labor" at the International South African Medical Congress, Pretoria
- 1971 Lectured at postgraduate course in obstetrics and gynaecology, St. Thomas' Hospital, London, on the "Biochemical Status of the Fetus and Fetal Monitoring During Labor and at Delivery"
- 1972 Delivered a lecture entitled "Hypersensitivity and Preeclampsia" at Rhodesia Medical Congress, Bulawayo
- 1973 Presented a paper, "The Microsurgical Approach to Infertility" at 39th South Africa Medical Congress, Cape Town
- 1974 Presented lecture, "Tubal Surgery – 1974" at Biennial Refresher Course for South African Gynecologists, University of Cape Town
- 1974 Presented a paper entitled "Homograft Transplantation of the Fallopian Tube in the Experimental Animal" at the VIII World Congress of Fertility and Sterility, Buenos Aires
- 1975 Commenced an assessment of the efficacy of vascularized Fallopian tube homografts in the human female. (The world's first vascularized Fallopian tube transplant was performed in May, 1975, by a team of surgeons, technicians and endocrinologists led by the candidate.)
- 1976 Lectured on "Human Sexual Response" at Postgraduate Course for General Practitioners, University of Cape Town
- 1976 18th South African Congress of Obstetrics and Gynaecology, Durban
Lead speaker on "Surgical Aspects of Infertility". The other lead speakers were Professor R. Shearman of Australia and Dr. R. Roland of Holland
- 1976 Presented the film, "Vascularized Fallopian Tube Transplantation in the Experimental Animal"
- Presented papers on:
- "Preliminary Experience with Vascularized Transplants of the Fallopian Tube in the Human Female"
 - "Kinking of the Fallopian Tubes and Their Relationships to Idiopathic Infertility"
 - "An Assessment of In Vitro Sperm Penetration Test"
 - "The Hormonal Effects of Wedge Resection of the Ovary"
(Co-author with Katz, M. and Carr, P.)

PRESENTATIONS, CONTINUED

- 1977 Postgraduate Course, Department of Obstetrics and Gynaecology, University of Cape Town
- Lead speaker at symposium, Psycho-Sexual Counseling for Gynecologists. The other lead speaker was Dr. E. Sapire
 - Presented lecture on “The Fallopian Tube in Infertility”
 - Presented film entitled “The Technique of Transplantation of the Fallopian Tube in the Ewe”
 - Demonstration of tubal surgery – live closed circuit TV
- 1977 Second Annual Symposium of Gynecologic Endocrinology, Post-graduate Course, Department of Obstetrics and Gynecology, Division of Reproductive Medicine, The University Center for the Health Sciences, Memphis, Tennessee
- Presided for session on “Ovarian Disorders”
- 1977 Review Course for Family Physicians, The University of Tennessee Center for the Health Sciences
- Presented a lecture on “A Brief Approach to Evaluation of the Infertile Couple”
- 1977 Workshop of Laparoscopy and Microsurgical Repair of the Fallopian Tube, American Association of Gynecologic Laparoscopists, Irvine, California
- 1977 Presented a film on “Transplantation of the Fallopian Tube”
- 1977 The Ninth World Congress of Fertility and Sterility, Miami Beach, Florida
- Presented a film “Vascularized Transplantation of the Fallopian Tube”
 - Member of discussion panel for Tubal Surgery Symposium
 - Presented paper for Fallopian Tube Physiology (Plenary Session), “Vascularized Transplantation of the Fallopian Tube”
- 1977 District VII American College of Obstetricians – Gynecologists Meeting, Chattanooga, Tennessee
- Presented paper on “Tubal Surgery 1977 – A Critical Review” (This paper was selected as “The Program Chairman’s Choice”)
- 1977 Program for applied Research on Fertility Regulation Workshop on Reversal of Sterilization, San Francisco, California

PRESENTATIONS, CONTINUED

- 1977 Third International Congress on Gynecologic Endoscopy, San Francisco, California
- Microsurgery Seminar Presentation on “Tubal Transplantation and Its Future”
- Presented a paper entitled “The Convoluted Oviduct – Its Significance in the Infertile Female” at Infertility Seminar
- 1978 Surgical Research Conference, Harvard Medical School, Department of Surgery, Beth Israel Hospital, Boston, Mass.
- Presentation of “Development and Current Status of Fallopian Tube Transplantation”
- Presented film on “Vascularized Transplantation of the Fallopian Tube in the Experimental Animal”
- 1978 Mount Sinai School of Medicine of The City University of New York, New York
- Presentation on “Review of Tubal Surgery, 1978”
- 1978 Review Course for Family Physicians, The University of Tennessee Center for the Health Sciences, Memphis, Tennessee
- Presented paper entitled “Infertility – Causes and Treatment”
- 1978 Fitzgerald Travel Club, The University of Tennessee Center for the Health Sciences, Memphis, Tennessee
- Presentation on “Tubal Reconstruction”
- 1978 The University of Tennessee Third Annual Reproductive Medicine Symposium, The Infertile Female – Practical Aspects of Diagnosis and Management, Division of Reproductive Medicine, Department of Obstetrics and Gynecology, The University of Tennessee Center for the Health Sciences, Memphis, Tennessee
- Presented paper on “Ovarian Wedge Resection”
- Panel discussant for Ovulation and Conception Session
- Presided for Session on Mullerian Systems Disorders
- Panel discussant for Mullerian System Disorders Session
- 1978 American College of Obstetricians and Gynecologists Annual Clinical Meeting, Anaheim, California
- Presented film on “Vascularized Transplantation of the Fallopian Tube”. This film was selected as “The Most Outstanding” of the films submitted for presentation.
- Led Luncheon Conference on “Tubal Surgery for Infertility”

PRESENTATIONS, CONTINUED

- 1978 American Association of Gynecologic Laparoscopists Second Annual International Congress for the Workshop on Laparoscopy and Microsurgical Repair of the Fallopian tube, Costa Mesa, California
- Presented paper entitled "Accessory Ligaments of the Fallopian Tube and Ovary Physiology"
- 1978 American Medical Association Memphis Regional Meeting Postgraduate Course on "Gynecological Endocrinology", Memphis, Tennessee
- Presented paper entitled "Update – Tubal Surgery"
- 1978 The American College of Obstetricians and Gynecologists and The University of Montreal, Postgraduate Course in Gynecologic Endocrinology and Infertility, Montreal, Canada
- Presented paper entitled "The Current Status of Wedge Resection of the Polycystic Ovary"
- Presented film on "Vascularized Transplantation of the Fallopian Tube"
- 1979 XII Annual Review Course for Family Physicians, University of Tennessee Center for the Health Sciences, Memphis, Tennessee
- Lectured on "Infertility – What Should the Family Doctor Do?"
- 1979 Carl A. Gemzell International Symposium on Gynecologic Endocrinology and Female Infertility, State University of New York, New York
- Presented a paper entitled "Experimental Tubal Surgery"
- 1979 Fourth International Workshop on Laparoscopy and Microsurgery in Gynecology, American Association of Gynecologic Laparoscopists, Irvine, California
- Presented paper entitled "When Do You Need the Operating Microscope in Gynecology?"
- Presented paper entitled "Fallopian Tube Transplants – The History and Current Status"
- Presented film, "Vascularized Transplantation of the Fallopian Tube"
- Instructor in Vivarium Surgery Program
- 1979 Fourth Annual Reproductive Medicine Symposium, Clinical Use of Sex Steroids, Division of Reproductive Medicine, Department of Obstetrics and Gynecology, The University of Tennessee Center for the Health Sciences, Memphis, Tennessee
- Presided over and Panel Discussant for Clinical Use of Sex Steroids Session

PRESENTATIONS, CONTINUED

- 1979 American College of Obstetricians and Gynecologists District IV Annual Meeting, Bal Harbour, Florida
- Presentation on "Tubal Microsurgery"
- 1979 Central Travel Club, The University of Tennessee Center for the Health Sciences Center, Memphis, Tennessee
- Presented papers on:
- "Cervical Factor – Male Factor"
- "Laparoscopy/Hysterosalpingography"
- "Update on Tubal Surgery"
- 1979 American Association of Gynecologic Laparoscopists Fourth International Congress on Gynecologic Endoscopy, Las Vegas, Nevada
- Led Luncheon Round Table on "Restoration of Normal Fimbrial-Gonadal Relationships in Tubal Microsurgery"
- Presided at "Coffee with the Experts" – Tubal Microsurgery
- 1980 First International Meeting on Transplantation of the Fallopian Tube, Grenoble, France
- Presentation on "Transplantation of the Pig and the Ewe"
- Presentation on "Development of Vascularized Tube Transplants"
- Presented film, "Vascularized Transplantation of the Fallopian Tube"
- 1980 University College Hospital Medical School, University of London, Department of Obstetrics and Gynaecology, London, England
- Presentation on "The Significance of Fimbrial-Gonadal Relationships in Tubal Microsurgery"
- 1980 American Association of Gynecologic Laparoscopists International Congress on Gynecologic Endoscopy and Microsurgery, Jerusalem, Tel Aviv, Israel
- Presented paper on "Restoration of the Ovum Pick-Up Mechanism in Tubal Microsurgery"
- Presented papers entitled "Tubal Anatomy and Physiology in Relationship to Tubal Microsurgery" and "When Do You Need the Operating Microscope in Gynecology?"
- 1980 American Association of Gynecologic Laparoscopists Fifth International Workshop on Laparoscopy and Microsurgery in Gynecology, Irvine, California
- Group leader in Vivarium Surgery Program

PRESENTATIONS, CONTINUED

- 1980 Visiting Professor – Seattle Gynecological Society Fall Assembly
- Presented papers on:
- “Tubal Anatomy and Physiology and its Relationship to Oviduct Surgery”
 - “Update of Tubal Surgery – Macro and Micro”
 - “Fallopian Tube Transplantation and its Future”
- 1980 Department of Obstetrics and Gynecology, Saginaw Cooperative Hospitals, Inc., Saginaw, Michigan
- Presentation of “Reproductive Surgery – The Current State of the Art”
- 1980 American Association of Gynecologic Laparoscopists, Ninth Annual Meeting, Clinical Symposium on Gynecological Endoscopy in New Orleans, Louisiana
- Moderator of a Round Table Discussion on “Significance of Fimbrial-Gonal Relationships in Tubal Microsurgery
- 1981 The American Fertility Society Annual Meeting, Atlanta, Georgia
- Served on the Sessions Management Committee and presented a Round Table Discussion on “Recent Advances in Tubal Surgery”
- 1981 American College of Obstetricians and Gynecologists Twenty-Ninth Annual Clinical Meeting, Las Vegas, Nevada
- Presented conference on “Infertility Surgery – An Overview” and “The Investigation of the Infertile Couple”
- 1981 Moderator of a session of papers on Current Clinical and Basic Investigation
- Discussant on Microsurgical Reversal of Sterilization
- 1981 Sixth International Workshop on Laparoscopy and Microsurgery in Gynecology Including Anastomosis of the Fallopian Tube, University of California, Irvine
- American Association of Gynecologic Laparoscopists First Advanced Workshop on Microsurgery in Gynecology “International” Animal Resource Laboratory
- Instructor in Advanced Workshop, Animal Resources Laboratory
- Lecturer for the Didactic Session
- Instructor for the Sixth International Workshop
- Presented Conferences on “Tubal Anatomy and Physiology in Relationship to Tubal Microsurgery” and “When Do We Need the Microscope in Gynecologic Fertility Surgery?”
- Presented a live demonstration of tubal microsurgery on TV monitors

PRESENTATIONS, CONTINUED

- 1981 American Association of Gynecologic Laparoscopists, Post-graduate Course on Advanced Gynecologic Endoscopy and Microsurgery, Boston, Massachusetts
- Presented a conference on "Tubal Transplantation vs. In Vitro Fertilization"
- 1981 III International Workshop on Microsurgery in Gynecology, University of British Columbia, Vancouver
- Visiting Faculty and Microsurgical Instructor, Basic and Advanced Courses
- Presented lectures on "Prevention of Postoperative Adhesions – Ancillary Measure" and "Vascular Anastomosis"
- 1981 The film, "Vascularized Transplantation of the Fallopian Tube", Cohen, B.M., was presented at the III World Congress of Human Reproduction in West Berlin, Germany
- 1981 Sixth Italian Biannual Post-graduate Course on Infertility, Florence, 1981
- Moderator of a Session on "Idiopathic Infertility"
- Presented papers on "The Significance of the Convoluted Oviduct in Idiopathic Infertility" and "Fallopian Tube Transplantation and Its Future"
- 1981 Visiting Professor to the University of Bologna, lecturing and carrying out live human microsurgical procedures
- 1981 Planned, directed and was Program Chairman of the First Workshop in Fertility Surgery Including Microsurgical Reversal of Sterilization at the Mt. Sinai Medical Center, Cleveland, Ohio
- Presented papers on"
- "The Development of Fertility Surgery (Historic Review)"
- "When Do We Need the Microscope in Gynecologic Microsurgery – Principles and use of the Instrument
- "Intra-operative Techniques"
- Moderator of a Round Table Discussion
- Completed live microsurgical TV demonstrations during the Laboratory Instruction Program
- 1981 American Association of Gynecologic Laparoscopists Tenth Annual Meeting – International Congress on Gynecologic Endoscopy and Microsurgery, Phoenix, Arizona
- Chairman and Organizer of Coffee Workshop
- Round Table Discussion on "Correction of Abnormal Fimbrial-Gonadal Relationships with Tubal Microsurgery"
- Participated in Pan Discussion on "Oviduct Microsurgery Pearls and Gems"

PRESENTATIONS, CONTINUED

- 1981 Participated in "Update on Obstetrics and Gynecology" held at the University of Maryland, School of Medicine
- Presented a paper entitled "Current Techniques in Fertility Surgery"
- Presented a paper entitled "Surgical Intervention for the Infertile Patient"
- 1982 The Mt. Sinai Medical Center, Cleveland, Ohio, Department of Nursing Seminar entitled "Peri-operative Procedures"
- 1982 Akron Society of Obstetrics and Gynecology
- Presented a paper entitled "Current Techniques in Fertility Surgery"
- 1982 Seventh International Workshop on Laparoscopy and Microsurgery in Gynecology, American Association of Gynecologic Laparoscopists
- "The Anatomy of the Fallopian Tube in Relation to Anastomosis and Tubal Transplants"
- 1982 Annual Clinical Meeting of the American College of Obstetricians and Gynecologists
- Led a Luncheon Conference on "Current Concepts in Fertility Surgery"
- 1982 Director, Visiting Professor and Surgical Instructor for the First Italian Workshop in the Theory and Practice of Gynecological Microsurgery, Universities of Bologna and Palermo
- 1982 IV International Workshop on Microsurgery in Gynecology, The Department of Obstetrics and Gynecology Faculty of Medicine of the University of British Columbia
- "Prevention of Postoperative Adhesions – Ancillary Measures"
- Lecturer and Instructor in laboratory techniques in gynecological microsurgery
- 1982 Planned, directed and was Program Chairman of the Workshops in Fertility Surgery Including Microsurgical Reversal of Sterilization, The Mt. Sinai Medical Center, Cleveland, Ohio
- Presented papers on"
- "Tubal Anatomy in Relation to Contemporary Techniques in Fertility Surgery"
- "Intra-operative Techniques"
- Completed live microsurgical TV demonstrations during the Laboratory Instruction Program
- Moderator of a Round Table Discussion
- "When Do We Need the Microscope in Gynecological Microsurgery?"

PRESENTATIONS, CONTINUED

- 1982 American Association of Gynecologic Laparoscopists Eleventh Annual Meeting – Clinical Symposium on Gynecologic Endoscopy and Microsurgery, San Diego, California
- Committee Chairman – Microsurgery
- Presentations:
- “Tubal Anatomy and Physiology in Relation to Oviduct Surgery”
- “Correction of Fimbrial-Gonadal Relationships in Fertility Surgery”
- “The Use of Intrapelvic Solutions in the Prevention of Pelvic Adhesions in the Rat”
- Chairman and Organizer of Luncheon Round Tables
- Participated in Panel Discussion, “Microsurgery – Pearls and Gems”
- 1982 Director and Program Chairman, First Workshop in the Theory and Practice of Gynecological Microsurgery, University of Bologna, Italy
- Full course of lectures presented with translation in Italian
- Full series of operative techniques demonstrated live in Bologna with videotaping and commentary recorded in Italian
- 1982 Annual Meeting, American College of Surgeons
- Invited speaker – panel on Gynecological microsurgery
- Presented paper on “Principles of Gynecological Microsurgery Including Review of Intra-operative Methods”
- 1983 American Association of Gynecological Laparoscopists Eighth Annual Workshop of Basic Microsurgery and Gynecology – University of California, Irvine, California – Chairman and Co-director of program
- Chairman and Co-director of workshop
- 1983 American Association of Gynecological Laparoscopists Third Advanced Workshop of Microsurgery and Gynecology including Live Laser Workshop for pelvic surgery – University of California, Irvine, California
- Live demonstration of microsurgical techniques and laboratory program. Presentation of “The Assessment and Correction of Abnormal Fimbrial-Gonadal Relationships in Tubal Microsurgery”

PRESENTATIONS, CONTINUED

- 1983 American Committee Member for:

First World Congress Workshop in Anatomy and Physiology of the Fallopian Tube – West Palm Beach, Florida

Presentation: “The Significance of the Elongated Fimbria Ovarica in the Infertile Women”
- 1983 Annual Clinical Meeting of the American College of Obstetricians and Gynecologists

Invited speaker for luncheon conferences

Presentation: “Current Technologies in Gynecological Microsurgery” and “Preparation of the Operating Room for Gynecological Microsurgery”

Georgia World Congress Center, May 9-10, 1983
- 1983 American College of Obstetricians and Gynecologists Post-graduate course in “Microsurgery in Gynecology”, The University of Medicine and Dentistry of New Jersey, Newark, New Jersey, June 2-4, 1983, faculty member and laboratory instructor for this program

Presentations of “When Do You Need the Operating Microscope in Gynecological Reconstructive Surgery”

“The Significance of Fimbrial-Gonadal Relationships in Tubal Microsurgery”
- 1983 Workshop Director for “Workshops in Fertility Surgery Including Use of the Laser and Microsurgical Reversal of Sterilization” – Presbyterian Hospital of Dallas in Affiliation with the Department of Obstetrics and Gynecology, University of Texas Health Science Center at Dallas, Dallas, Texas, June 7-12, 1983

Course Organizer and Program Director. Carried out live demonstrations of microsurgery. Lectures on “Fertility Surgery and Overview”

“Tubal Anatomy in Relation to Contemporary Techniques in Fertility Surgery”

“Correction of Fimbrial-Gonadal Relationship in Tubal Microsurgery”

“When Do We Need the Microscope in Gynecological Microsurgery?”
- 1984 American Association of Gynecological Laparoscopists Fourth Advanced Workshop in Microsurgery Including Laser, UCLA, Irvine, California

Lecturer and Laboratory Instructor
- 1984 American Association of Gynecological Laparoscopists Ninth Annual Workshop of Basic Microsurgery

Lecturer and Laboratory Instructor

PRESENTATIONS, CONTINUED

- 1984 Annual Clinical Meeting of the American College of Obstetricians and Gynecologists, San Francisco, California
- Luncheon speaker, "Hirsutism – Diagnosis and Clinical Management"
 - Luncheon conferences, "Current Techniques in Micro and Laser Surgery" and "Ovarian Surgery – The Microsurgeon's Viewpoint"
- 1984 Visiting Professor, Fort Worth Obstetrics and Gynecology Society, "Current Techniques in Gynecological and Micro and Laser Surgery"
- 1984 Workshop Director – "Workshops in Fertility Surgery including Use of the Laser and Microsurgical Reversal of Sterilization" Presbyterian Medical Center and the University of Texas Health Sciences Center of Dallas, Dallas, Texas
- 1984 Lecturer and Microsurgical Instructor, VIth International Workshop on Microsurgery in Gynecology, Department of Obstetrics and Gynecology, University of British Columbia, Vancouver, Canada
- 1984 Visiting Professor, University of Tennessee, Memphis, Tennessee
- "Current Techniques in Micro and Laser Surgery"
 - Video Presentation: "Ovarian Cystectomy with Microsurgical Reconstruction"
- 1984 American Association of Gynecological Laparoscopists, Thirteenth Annual Meeting, Las Vegas, Nevada
- Coffee with the Experts "Microsurgery Panel"
- 1985 Workshop Director – "Workshops in Fertility Surgery Including Use of the Laser and Microsurgical Reversal of Sterilization", Presbyterian Medical Center and the University of Texas Health Science Center of Dallas, Dallas, Texas
- 1985 The American College of Obstetricians and Gynecologists Post-graduate Course – "Microsurgery in Gynecology", Newark, New Jersey
- Video/Discussion
 - Laboratory Techniques
 - Lecture: "Correction of Fimbrial-Gonadal Relationship in Tubal Microsurgery"
 - Lecture: "Ovarian Surgery – The Microsurgeon's Viewpoint"
- 1985 The VIIth International Workshops on Microsurgery in Gynecology, The University of British Columbia, Vancouver, British Columbia
- Lecture: "How to Avoid Postoperative Adhesions"
 - Laboratory lectures and demonstrations

PRESENTATIONS, CONTINUED

1985 First International Gynaecological Microsurgical Workshop and Course, Wits Medical School, Parktown, Johannesburg, South Africa

Laboratory Orientation: "Review of microscopes, instruments, suture materials, coagulators and basics of microsurgical suture tying"

Laboratory: "Operative technique with inanimate material and advanced suture typing technique"

Laboratory: "End-to-end anastomosis", done with Victor Gomel and Kurt Swolin

Lecture: "Tubal anatomy and physiology"

Lecture: "Microsurgery, general consideration, patient selection and pre-operative management and investigations"

Laboratory: "Operative techniques on inanimate material – simulated salpingostomy"

Laboratory: "End-to-end anastomosis – different technique"

Laboratory: "Self-assessment on inanimate material"

Lecture: "Ovarian surgery, the microsurgeon's viewpoint"

Lecture: "Prevention of adhesions and adjuvants in microsurgery"

Laboratory: "Surgery on inanimate material: self-assessment"

Laboratory: "Human oviducts: end-to-end anastomosis"

Lecture: "Ectopic pregnancy: conservative management"

Lecture: "Personal preferences in gynaecological microsurgery"

Lecture: "Microsurgical management of endometriosis and fibromyomata"

Lecture: "The place of Lasers in reconstructive surgery"

1986 The American College of Obstetricians and Gynecologists Post-graduate Course – "Advanced Microsurgery for the Gynecologist", New Orleans, Louisiana

Lecture: "Approaches to Patient Selection and Screening"

Lecture: "Management of Distal Tubal Disease"

Laboratory lectures and demonstrations

PRESENTATIONS, CONTINUED

- 1986 American Association of Gynecologic Laparoscopists – Sixth Advanced Workshop of Microsurgery in Gynecology and Eleventh Annual Basic Workshop of Microsurgery in Gynecology, Irvine, California
- Laboratory Orientation: “Review of Microscopes, Instruments, Coagulators and Proposed Techniques”
 - Laboratory Program: “Techniques of Salpinostomy in the Experimental Animal”
 - Lecture: “Postoperative Care and Follow-Up”
 - Lecture: “Ovarian Surgery: The Microsurgeon’s Viewpoint”
 - Laboratory Program: “Tubal Reanastomosis in the Experimental Animal”
- 1986 The American College of Obstetricians and Gynecologists Post-graduate and Clinical Programs, New Orleans, Louisiana
- Round Table: “Micro and Laser Surgery”
 - Leader of Luncheon Conference: “Micro and Laser Surgery”
- 1986 Conference on “Reproductive Surgery for the Micro and Non-Micro Surgeon”, Mercy Catholic Medical Center, Darby, Pennsylvania
- Lecture: “Ectopic Pregnancy – Treatment Options”
 - Lecture: “Endometriosis – Treatment by Micro and Non-Micro Surgery”
- 1986 Workshop Director – “Workshops in Gynecological Microsurgery Including use of the Laser and Operative Laparoscopy”, Presbyterian Medical Center and the University of Texas Health Science Center of Dallas, Dallas, Texas
- 1986 “GYN Surgery: Fifth Annual Seminar”, Baptist Memorial Hospital, Memphis, Tennessee
- Lecture: “Ovarian Surgery: A Microsurgeon’s Viewpoint”
 - Lecture: “Microsurgical Reconstruction of Fimbrial-Gonadal Relationships”
- 1986 Women’s Health Seminar, Oak Ridge, Tennessee
- Lecture: “Infertility? Endometriosis”
 - Lecture: “Microsurgery of Infertility”

PRESENTATIONS, CONTINUED

- 1986 The American Association of Gynecologic Laparoscopists – Fifteenth Annual Meeting, Clinical Symposium of Gynecologic Endoscopy, Orlando, Florida
- Participation in “New instrumentation Panel”
- Great Debates: “Distal Tubal Disease – Microsurgery vs. Operative Laparoscopy”, debate done with Dr. Ron Levine
- 1987 Fifty-Fourth Annual Convention of the College of Osteopathic Obstetricians and Gynecologists, Lahaina, Maui, Hawaii
- Lecture: “Pre-operative Evaluation and Patient Selection for end-to-end Anastomosis with Description of Procedure”
- Lecture: “Overview and Gynecological Microsurgery – Instruments, Suture Materials and Proposed Technique”
- Panel Discussion
- Round Table Discussions
- 1987 “Basic Microsurgery for the Gynecologist”, Southern Baptist Hospital, New Orleans, Louisiana
- Lecture: “Approaches to Patient Selection and Screening”
- Lecture: “Management of Distal Tubal Disease”
- Discussion: “Laser vs. Electromicrosurgery”, Chaired by Dr. Edwin A. Bowman
- 1987 The American College of Obstetricians and Gynecologists – Thirty-Fifth Annual Clinical Meeting, Las Vegas, Nevada
- Luncheon Conference: “Current Techniques in Micro and Laser Surgery”
- Discussant of lecturer on “Pregnancy Following Tubo-Ovarian Transplantation” led by James R. Scott, M.D.
- Clinical Seminar: “Current Techniques in Fertility Surgery”
- 1987 Workshop Director – “Workshops in Gynecological Microsurgery Including use of the Laser and Operative Laparoscopy”, Presbyterian Medical Center and the University of Texas Health Science Center of Dallas, Dallas, Texas
- 1987 “The Team Approach to In Vitro Fertilization”, Harrah’s Convention Center, Reno, Nevada, Co-sponsored by Serono Symposia, USA, Geoffrey Sher, M.D. of the Northern Nevada Fertility Clinic and the University of Nevada School of Medicine
- Lecture: “Microsurgery and IVF: A Complementary Relationship”

PRESENTATIONS, CONTINUED

- 1987 Forty-third Annual Meeting of the American Fertility Society, Reno, Nevada
- Moderator for the Society of Reproductive Surgeons
- 1987 World Congress of Gynecologic Endoscopy, The American Association of Gynecological Laparoscopists Sixteenth Annual Meeting, San Francisco, California
- Lecture: "Microsurgery of Congenital Tubal Anomalies"
- New Instrumentation Panel: "Free Hands (Three Hands) During Operative Laparoscopy"
- 1988 The American College of Obstetricians and Gynecologists – Post-graduate course "Microsurgery", New Jersey Medical School, Newark, New Jersey
- Lecture: "Microsurgery: Choices of Magnification"
- Round Table discussion and lab techniques
- 1988 "Infertility and Endoscopic Laser Surgery Workshop", Houston Laser Institute, Houston, Texas
- Lecture: "Gynecological Micro and Laser Surgery: An Overview", Laboratory lectures and demonstrations
- 1988 Workshop Director – "Workshops in Gynecological Microsurgery Including use of the Laser and Operative Laparoscopy", Presbyterian Medical Center and the University of Texas Southwestern Medical Center of Dallas, Dallas, Texas
- Lecture: "Preoperative Assessment and Case Selection, Preparation of the Operating Room for Gynecological Microsurgery"
- Lecture: "Interoperative Techniques"
- Lecture: "Microsurgery and In Vitro Fertilization: Complimentary Techniques"
- Laboratory lectures and demonstrations
- 1988 "Fiberoptic Laser Endoscopy", Presbyterian Medical Center, Dallas, Texas
- Lecture: "Current Techniques in Reproductive Surgery – The Place of Lasers"
- 1988 The American College of Obstetricians and Gynecologists Annual Meeting, Boston, Massachusetts
- Round Table Discussion: "K.T.P. Laser Laparoscopy"
- 1988 The American College of Obstetricians and Gynecologists Post-graduate Course: "Microsurgery", New Jersey Medical School, Newark, New Jersey
- Lecture: "Principles of Microsurgery: Choices of Magnification"
- Lecture: "Ovarian Microsurgery"
- Laboratory demonstrations of microsurgery and instruction

PRESENTATIONS, CONTINUED

- 1988 Gynecologic Laser Workshop, Presbyterian Medical Center of Dallas, Dallas, Texas
 Lecture: "Microsurgical Applications of Fiber-Delivered Lasers"
- 1988 The American Fertility Society Annual Meeting, Atlanta, Georgia
 Round Table Presentation: "K.T.P. Laser Laparoscopy"
- 1988 American Association of Gynecological Laparoscopists Annual Meeting, First North
 American/South American Congress of Gynecologic Endoscopy, Dallas, Texas
 Post-graduate Course Chairman: "Restoration of Fertility, Medical and Surgical Options"
 Lecture: "Anatomy and Physiology, Principles of Diagnosis, The Basic Evaluation"
